

Help Your Community Shine

A series of 8 bi weekly events occurring at Grass Valley's Big "A" Beginning June 9th and continuing through the Summer months.

Each event will be focused on a limited number of specialty vehicles telling a story about a particular technology, era or brand.

As an example, one event might focus on the new Electric Mustang. Highlighting the new technology from Ford will be some 18 other Mustangs of various eras and models. The Shelby, The California Special, The first generation, The GT, and The Most recent are examples of what will draw attention to and focus on The Electric Mustang and featured sponsor.
